The AAU is a grade-based organization. Each grade division consists of a 24-month age window which determines an athletes' participation in that division. If an athletes' age is outside the 24-month window for their grade, the athlete must play up to the grade division that is normal and customary for their age. If an athlete is in any grade above what is normal and customary for their age, that athlete may petition to play down provided they meet the established criteria.

**An athlete is eligible to play down a grade provided they meet the requirements listed in the chart below.**
